

# DRAWING CONTEST

## 80<sup>th</sup> anniversary of the D-Day Landings

---

ANNIVERSAIRE DU DÉBARQUEMENT  
ET DE LA LIBÉRATION DE LA FRANCE  
ET DE L'EUROPE

The transmission of History relies on **the involvement of youth**, which is why a drawing contest focusing on the theme of the 80th anniversary of the D-Day and the liberation of Europe was one of the major initiatives of 2023 led by the County Council of La Manche (*see in red on the map*).

### The contest:

- 6 categories: under 10 years old, 11 to 14, 15 to 18 (*individual or collective participation*)
- Requirements:
  - Promote the values of freedom, peace, memory, and fighting against discrimination
  - Establish a connection with the 80th anniversary of the D-Day
- Participation: 120 drawings produced across the territory of La Manche

You can discover, in these shop windows, a selection of some drawings with the young artist's name, hometown, and age category.
